

### Monthly report - March 2017

The activities carried out during March 2017 can be summarized as follows:

#### Action D1:

- Soil samples were dried, sieved at 2 mm and homogenized at 0.5 mm. Liter samples were dried, weighed and homogenized at 0.5 mm

#### Action D2:

- Sampling of gas from the plots under different silvicultural treatments in Greece and Italy. Shipping of samples from Greece to Italy. Sampling of gas from plot 1 (control) in Italy with deadwood samples.

#### Action E6

- Participation to the presentation workshop of Life AForClimate

#### Action E8:

- Forest Directorate (DAMT) organized a two day event on March 21 and 22 in 2017 to celebrate the International Day of Forests (IDF). In the peri-urban forest of Xanthi DAMT, in collaboration with the 9th elementary school of Xanthi and environmental group of 2nd high school of Xanthi City, organized an environmental action including plantation of conifers and showing the students the benefits of the forests and especially informing them about the Life ForesMit program, its activities and objectives. Promotional materials, such as brochures, notebooks, pencils shared out to the present students and teachers.

#### Action F1:

- Meeting between CREA-ABP and Città Metropolitana di Firenze to organize a workshop foreseen in May 15 and define dissemination activities.
